Greetings,

The Northwood Country Club Board of Directors would like to invite you to the annual membership meeting on **Friday, May 1, 2020**, held at the clubhouse. There is a good possibility the meeting will get postponed due to COVID-19, but we do not know if or when that postponement would be at this point. As of now, there will not be a meal this year for the annual meeting; happy hour will begin at 5:30 pm, business meeting starting at 6:30 pm. An election will be held at the meeting for two board positions. If you are interested in running for a position on the Board, please contact a board member to get your name on the ballot. Nominations will also be taken the night of the meeting. Please mark your calendars for May 1, 2020. We hope to see you all there.

We have enclosed the 2020 Membership Form including fees. Dues can be mailed to the PO Box listed above or can be paid at the Clubhouse. Please submit dues by May 1, 2020.

COVID-19: In addition to having an effect on our annual meeting, we will also be temporarily modifying our operating procedures due to the coronavirus. The course will be open for golf starting Monday, April 6, 2020. We are requesting the flagsticks to be left in the cups at all times. There will be no ball washers or sand rakes on the course. The kitchen will be closed indefinitely. Drinks and sealed snacks will still be available in the clubhouse to be consumed on the golf course. There will be no seating in the clubhouse for the time being. Please watch your email and check the website (www.nwcountryclub.com) for any annual meeting updates, as well as modifications to our operating rules and procedures based on recommendations from the CDC and state and local departments of public health. Hopefully we can get back to "normal" soon.

If you have any suggestions or items you would like to see published on the website, please contact a board member or send an email to webmaster@nwcountryclub.com. Suggestions are always welcome!

Thank You,
